**Additions:**  
**Organizational/Nongift**  
 Represents a donation that does not receive a tax deduction, because it is from an organization or a transfer from another Foundation fund (only displayed if this type of addition was received).

**Gifts and Bequests, Gifts and Bequests Spendable**  
 donations added to the fund.

**Realized Gain (Loss) on Investments**  
 the cumulative gain or loss for the time period shown, resulting from a sale of an investment. Often occurs when the Community Foundation rebalances investments or when the donor gives stock to the Fund to be sold. The Community Foundation has to book the change in value from the date received until the date sold.

**Unrealized Gain (Loss) on Investments**  
 the cumulative gain or loss that exists on paper resulting from an unsold investment.

**Dividend Income**  
 cash received from investments in money market accounts, stocks and bonds.
