

The Community Foundation of Shelby County

Legacy Society Enrollment Letter

I want to provide a gift for my community by including the Community Foundation of Shelby County in my estate plan. Please enroll the name as stated at the bottom of this letter in the Legacy Society of the Community Foundation of Shelby County.

I understand that the gift must adhere to the Gift Acceptance and Fund Acceptance policies of the Community Foundation in effect at the time the gift is received by the Foundation. The Community Foundation will make every effort to use the gift as I direct but the Foundation has the variance power to make a closely related substitution if the direction is found to be impossible or unnecessary.

I understand that I do not need to disclose my specific intention and that this letter is not a commitment to make a future gift. I have been encouraged to seek the advice of my financial or estate planning advisor regarding the gift to the Community Foundation.

Ways to make a gift include, but are not limited to:

- A direct gift of cash or securities;
- Including the Community Foundation of Shelby County in my will or trust;
- Naming the Community Foundation as a primary or secondary beneficiary of a new or existing insurance policy;
- Creating a trust instrument that directs earnings or principle to the Community Foundation according to my predetermined direction.
- Establishing a Charitable Gift Annuity with the remainder benefiting the Community Foundation.
