## Celebrating Scholarships for Grads and Adults in Shelby County and Beyond

Your kindness and generosity paved the way for a record amount of scholarships administered through the Community Foundation and benefitting high school grads, current college students and adults returning to the classroom.

Scholarships awarded through The Community Foundation are made possible by the generosity of fund donors who want to help area students by lessening their educational financial burden. Annual scholarship awards are typically generated by earnings on funds of at least \$25,000 or more. The Community Foundation has several different types of scholarship funds, including high school scholarships, renewable scholarships, skilled trade scholarships and college and adult scholarships. Please contact us to learn more about scholarship funds.

The Community Foundation of Shelby County congratulates this year's Scholarship recipients and thanks the donors who have made it all possible!
